How to access electronic documentation? Journals, books, databases

**On the university premises**

on the computer stations of the library or the university

- log in with the IDs of the University of Nantes
- search from your browser or through Nantilus

**through the international Wi-Fi network Eduroam**

Eduroam offers WiFi access to members of institutions of higher education and research in their institution and during their travels in France and abroad. Before the first use, it is necessary to install an auto-configurator from the web page [http://eduroam.univ-nantes.fr/](http://eduroam.univ-nantes.fr/)

To authenticate yourself:
